## Who are JN Bentley?

JN Bentley Ltd is part of the global management, engineering and development consultancy Mott MacDonald, offering our clients full feasibility, design and construction services throughout the UK.

We are a rapidly expanding organisation with a current turnover of over £300 million generated from projects in the building and civil engineering sectors.

Top 100 undergraduate employers of 2019

## What you'll do: .....

Working in a busy and fast-paced department, that is responsible for ensuring key messages are conveyed across the business, you will:

- Produce first-class internal and external communications.
- Write lots of great, engaging copy for a variety of platforms.
- Design and manage the production of our monthly internal magazine.
- Build relationships with colleagues across the company. One day you'll produce something for one of our construction sites, the next for a director's presentation.
- Produce engaging video content.
- Oversee the company's corporate responsibility programme.
- Look after the company's social media platforms.

JN Bentley is a great place to complete a placement year. You are given real responsibilities and the ability to take ownership of tasks while being mentored by the best people.

Comms and marketing Placement

## What you'll need:

- We are seeking applications from current 2nd year students who have opted to complete a year in industry.
- Confident, organised and have a natural ability to communicate effectively.
- We are willing to review applications from a range of degree courses; however, it is crucial that you have a passion for marketing and communications.
- Excellent written English skills that hit the mark with the audience.
- Creative thinking and an eye for design.
- A sense of humour whilst juggling a number of different tasks.
- The ability to work both in a team and independently, always maintaining a strong work ethic.
- A personable approach to work. You'll need to build a rapport with colleagues across the business and work with them to gather the information we need to produce our communications.
- Experience of MS Office suite, especially PowerPoint, is essential. A basic understanding of other IT systems such as Photoshop and basic video editing would be advantageous but not essential - as long as you have an interest in this field we will help you learn.

## What we'll offer:

- A fantastic development scheme with a view for you to return to us as a graduate.
- Competitive financial package including a final year sponsorship opportunity.
- Opportunity to work within a family-feel organisation with over 1500 employees.
- A turkey at Christmas (or vouchers).
- Flexible start date.

## Application Process:

- Send in your CV and Cover Letter
- Telephone Interview
- Assessment Centre
