**Top 100 undergraduate
employers of 2019**

What you'll do:

Our IT Team is responsible for managing the company's information technology needs in a busy, fast-moving environment. The placement will provide you with a real insight into the role of an IT professional.

- You will provide expert assistance to hundreds of users based in offices and construction sites across the UK.
- As a key member of the IT Team, initially you will work as part of the service desk providing first line support, ensuring our people have access to the systems and software they need.
- You'll have the opportunity to learn about and work with Infrastructure, Database and Application teams to improve knowledge and skills.
- You will be involved in the rollout and upgrades of various systems, including mobile tech and mobile device management.

JN Bentley is a great place to work due to the friendly team. This placement has allowed me to learn something new on a daily basis and is something which I am thoroughly enjoying.
