employers of 2019**

What you'll do:.....

Our busy Procurement Teams manage a spend of over £85m per year, liaising closely with various internal & external stakeholders to deliver best value solutions. Working in this fast paced team you will:

- Process requisitions to provide sites with a range of materials and subcontract services across the UK.
- Find and request quotations from established and new Suppliers in order to add value and reduce cost.
- Understand construction requirements through a mix of site & supplier visits.
- Produce high-level reports on spend, utilisation and costs
- Learn key negotiation skills and implement them through engaging with various stakeholders to add value.

The buying placement is a
challenging but rewarding
experience which allows you to
grow and develop rapidly as an
individual.

It gives you an understanding
of the procurement process as
a whole, in a fun and interesting
way.
