Who are JN Bentley?

JN Bentley Ltd is part of the global management, engineering and development consultancy Mott MacDonald, offering our clients full feasibility, design and construction services throughout the UK.

We are a rapidly expanding organisation with a current turnover of over £300 million generated from projects in the building and civil engineering sectors.

**Top 100 undergraduate
employers of 2019**

What you'll do:

Based in an operational office or out on site; with a supportive team behind you, you'll be given every opportunity to progress and develop your skills and get involved in the work of an MEP engineer. As an MEP Engineer you will:

- Support the project team in co-ordinating the mechanical and electrical aspects of projects.
- Liaise with sub-contractors, suppliers and clients.
- Approve drawings and designs of suppliers.
- Oversee the activity of sub-contractors and suppliers on site.
- Conduct site condition surveys and inspections.
- Assist with maintaining our world class safety culture – through the production of critical designs, health and safety documentation, O&M manuals, and commissioning plans.

I enjoy the balance of getting work done in the office, and days spent on site.

Everyone is easy to get on with and you are treated with respect from all different types of people in the hierarchy

Max
MEP Placement.

What you'll need:

- We are seeking applications from current 2nd year students who have opted to complete a year in industry.
- You must be studying towards obtaining a full-time degree in Mechanical or Electrical Engineering and be eligible to work in the UK.
- Confidence, motivation, plus the ability to hand multiple tasks and problem-solve.
- Excellent commercial awareness.
- Strong organisational, communication, analytical, and problem-solving skills.
- A positive attitude with the ability to work well under pressure.

What we'll offer:

- A fantastic scheme with an opportunity for you to return to us as a graduate.
- Competitive financial package, with the opportunity for final year sponsorship.
- Opportunity to work within a family-feel organisation with over 1600 employees.
- A turkey at Christmas (or vouchers).
- Flexible start date.

Application Process:

- Send in your CV and Cover Letter
- Telephone Interview
- Assessment Centre
